THE PLAG RAISING.

public school buildings of Hawaii. ary.

To them the lessons of courage and patriotic loyalty which the flag teaches, have been learned amid the greatest bardships any nation calls upon its citizens to face. If they have not learned the lesson of the flag, no one has. Fighters when occasion requires and after the work is done returning quietly to the business walks of life, the flag raised by their hands will always point to the high and laudable spirit of the say, I'll say it in my autobiography."

If you want to embezzle money, get a cashiership in a bank; if you want to make money, get a job in a mint; if you want to find money, go to the Klondyde; but if you want to save money, call upon the P. C. & M. Co., on Fort street, and buy a high-grade Sterling bicycle.

Tom: "Know Wilson?"

Jack: "Yes."

Jack: "Fifty dollars!"

Save fifty per cent and have your electro-American citizenship which kept our national record clear. Always ready to follow the path of duty wherever it may lead.

Jack: Pitty dollars!

Save fifty per cent and have your electroplating done at the P. C. & M. Co.'s on Soaker: "It was so cold in my room this morning, I could see my breath."

Miss Cynica: "Mercy! what a horrible sight!" wherever it may lead.

wherever it may lead.

The honor of placing the national emblem in the hands of the school children is a distinction of which any and every man should be proud. It is particularly appropriate, however, that the work should be done by veterans of our wars whose career has placed them in the first rank of patriotic citizenship. Children need object lessons. No man can be weak kneed in his loyalty who, in on will soon be brought back into propriate, however, that the work Be an American not a Godkin, citizenship.
